

Timber Ridge Elementary  
Data Inventory  
Melinda Butler

Data Source	Content Area	Dates of Collection	Students Assessed	Accessibility	Current Data Use	More Effective Use
KDG - GKIDS	L. A., Math, Social skills	Spring	Kindergarten	Intranet; Teacher	Placement for next school year. All data is placed on one sheet for next teacher.	Get all data on one sheet per student, including non-academic data, compare between grade level teachers.
CRCT	Reading, LA, Math, SS, Science	Spring	2-5	District/State	Measures content mastery for the year	Record all data on one sheet per student, including non-academic data, compare students in classes/grade level
DRA	Reading	September, December, and May	K-5	Teacher, Principal	Drives instruction, RTI decisions, Record student progress, Levels recorded on Report Card	Discuss scores with students, Record on data sheets for admin.
IOWA	Reading, Math	September	3, 4, 5	District/Nation	Used for achievement level when qualifying students for gifted program and placement for next grade.	Item analysis
Math Benchmarks	Math	Quarterly	K-5	District	Drives instruction, Student Placement for following year	Discuss scores with students, item analysis,

**Other Student-Level Information**

What other student-level information does your school collect?

RTI	ELL	
Gifted	New to our school	
Special Education		

**Data Wish List**

Are there any other types of assessment data you would like to see your school collect and use to improve instruction?

We already use a data collection system that is kept on the Staff Drive/Computer that each teacher updates every quarter with current levels in reading, math, and writing.	
I would like to see pie charts or bar graphs of this information for a clearer picture of how students are progressing during the year.	
It would be even clearer for us teachers while planning for the next quarter if our data teams could break our data down into sub groups of: boys, girls, gifted, ELL, and special education students.
